THE BOOK OF JOY

Desmond Tutu & Dalai Lama

Trade paperback

Two of the world's most influential spiritual leaders, His Holiness the Dalai Lama and Archbishop Desmond Tutu have come together to share their thoughts on achieving enduring happiness.

Whether we are frustrated with the morning traffic, fearful that we cannot provide for our families, or grieving for the loss of a loved one, is it really possible to be joyful in the face of our daily troubles? And even if our lives are well and good, how can we live in joy when so many others are suffering?

With jokes, discussions, fondness and friendship, the 'mischievous spiritual brothers' from different cultures and religions tackle the answers to these questions, and share their personal stories of struggle and renewal.
